Bruce Rauner, representatives from the U.S. Congress, State Legislature, City of Chicago and business leaders from the MacArthur Foundation, Dearborn Realtor, and the community joined Seaway, a division of Self-Help Credit Union, for their reception entitled “Building On A Legacy,” a Community Celebration. The event recognized the long history of the institution while outlining their vision to positively impact communities in Chicago. The reception also served to introduce Daryl Newell, who was named Seaway’s Division President in August of this Year.

I had the pleasure of serving as Emcee for the dynamite, beautiful Lori Wilcox, Bloom Township Committeeman as she celebrated her “40+2” Birthday Party, held at the Serbian Cultural Center in Lansing, Illinois. Marva Campbell Pruitt served as Fundraising and Birthday party chairman.

Condolences
Extended to Rev. Gloria Randolph and family in the passing of her brother, Mammon Gibson.
